# Condemn TD

## Save our Canada from Human -Right abuses

### Public Demonstration

TD Bank has taken it upon itself to implement extra-judicial and discriminatory policies that target Canadian citizens of Iranian heritage, rather than adhere to the letter and spirit of the new sanctions and the exemptions and exceptions that are intended to govern their implementation( sec 5) by arbitrarily closing bank accounts, calling back mortgages, closing lines of credits, and as the result damaging lives beyond repair.

The actions of TD are neither necessitated by the law nor by any interest in national security. Rather, their new policy systematically institutionalizes prejudice against those of Iranian heritage.

In order to show our solidarity with those affected by this human right abuse, a gathering is arranged outside

**TD Bank at Yonge / Finch**  
**Sat. August 25th 2-4 pm**
